

Attorney Docket No.: 10142-00402

REMARKS

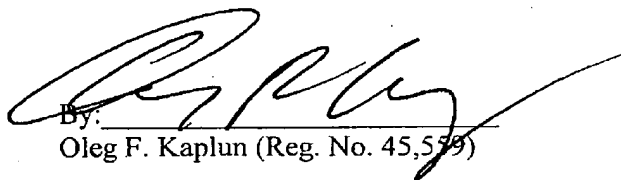

Claims 42-54 are pending in the above-referenced application. Claims 42-54 stand rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claims 1-13 of U.S. Patent No. 6,620,124. Submitted herewith is a Terminal Disclaimer along with a Statement under CFR 3.73b that obviates this rejection. Accordingly, withdrawal of this rejection is respectfully requested.

It is therefore respectfully submitted that all of the presently pending claims are allowable. All issues raised by the Examiner having been addressed, an early and favorable action on the merits is earnestly solicited.

Respectfully submitted,

Dated:

5/5/08
